Information about VS development and production quality standard

Dear valued customer,

Vossloh-Schwabe is a global operating company with world-wide customer and supplier network. With an extensive product portfolio, we cover all lighting components for our customers, to be a reliable supplier in a dynamic lighting business. We're proud of our own development centers and production facilities, as well as of our partners and corporations for manufacturing service, OEM- and ODM-services.

Vossloh-Schwabe ensures a high quality level in all our enterprises, factories and corporations. We have a complete responsibility for products and services we supply, in which it doesn't matter where a products origin is. Therefore, we certify all our factories according to international standards ISO 9001:2015 and ISO 14001:2005.

All qualification- and production tests are aligned to meet Vossloh-Schwabe high quality demands. Compliance with the lighting standards in performance and safety are a matter of course. Our requirements are always orientated on market expectations such as e.g.

- comprehensive inspections and confirmation of specifications,
- reliability of products, and
- safe and undamaged deliveries.

Vossloh-Schwabe is able to offer products with outstanding guarantee conditions, and this all along our supply chain as well, respecting the ethic and social responsibility. For more details we invite you to visit our homepage www.vossloh-schwabe.com.
